

Wired for Success

Group Coaching for Students

Does your student have amazing potential and great intentions, but trouble getting started, getting going, or even getting out of bed?

Help them learn the secret to unlocking their own unique brain power!

It's all about getting the brain jump-started through the power of strengths, then launching into action, one step at a time.

WHAT: Eight (8) sixty-minute group coaching sessions

WHEN: Dates and times to be determined

WHO: Current high school and middle school students who are wanting to learn and can self-regulate in a small group

WHERE: Odyssey Learning LLC, 12928 Reeder St., Overland Park, KS 66213

TOPICS: Understanding your processing, character, executive function, and performance strengths, learning about the unique brain-wiring of students with executive function challenges, developing strategies based on individual strengths, and creating effective plans for using strategies for success

FEE: \$600 if paid in full *or* two payments of \$330
(Includes eight sessions, materials, and strategy notebook)

To learn more about the group and to see if it is a good fit for your child, please follow the link below to schedule a required, complimentary Introductory Coaching Session for you and your child. This free session is a pre-requisite for all group registrations.
